Following a courtesan's advice might lead to trouble-but will it lead to Brianna's ultimate desire: winning her husband's love? **A Spirited Threesome: MMF Menage Romance** Apr 10 2022 Two gorgeous men, ghostly rumors, and a family secret. What could go wrong? Kaylee Evans can't believe her luck. As an archivist for historical documents, work isn't exactly rolling in. So when she lands a very part time gig at the Historical Society in Providence—birthplace of her favorite period author Alistair K. Ashworth—it's as if all her dreams have come true. But it's clear she'll need a second job if she wants to eat on a regular basis. And that's when luck strikes again. She answers an ad for a housekeeper at a historic Victorian mansion—a mansion that just happens to be the Alistair K. Ashworth House, circa 1860. Ecstatic to think she might have full run of Ashworth's family home and maybe some long-forgotten manuscripts, Kaylee's determined to get the job. Except that she has zero experience as a housekeeper. And the butler who opens the door bears a strong resemblance to a creature from one of Ashworth's books. And old Mr. Richard Ashworth, a descendent of the famous writer, believes she's someone from 1945. Oh, and the old house is reputed to be haunted by Alistair's ghost. Attorney Carter Harrison can't believe his luck. Between the forgetful old patriarch, the eccentric household staff, and what might or might not be paranormal activity, Ashworth's estate can't find a housekeeper who'll stay for more than a week. So when Kaylee shows up asking for work, Carter hires her on the spot. She wouldn't know formal tea service if it fell on her head, but she seems eager to learn. And he has to admit, it has been way too long since he's spent time with a smart, beautiful, curvy woman. His immediate attraction flares even hotter when Garrett Ashworth arrives, as wickedly charming as ever. Carter and the rogue Ashworth heir have history, and seeing him again heats Carter's blood. And clearly, Kaylee's as well. But when strange noises in the attic thrust the three of them into each other's arms, they find more than just passion. And when they discover an obscure document that puts Garrett and his sister's inheritance in jeopardy, they know something strange—and dangerous—looms over them all... Reader note: contains MMF ménage, hot romance elements, BBW, light-hearted humor, and male/male love. A complete, stand-alone story with a happily ever after

Queen of the Maple Leaf Apr 17 2020 As modern versions of the settler nation took root in twentieth-century Canada, beauty emerged as a business. Queen of the Maple Leaf deftly uncovers the codes of femininity, class,

sexuality, and race that beauty pageants exemplified, whether they took place on local or national stages. A union-organized pageant such as Queen of the Dressmakers, for example, might uplift working-class women, but immigrant women need not apply. Patrizia Gentile demonstrates how beauty contests connected female bodies to white, wholesome, respectable, middle-class femininity, locating their longevity squarely within their capacity to reassert the white heteropatriarchy at the heart of settler societies.

Desire and Time in Modern English Fiction: 1919-2017 Dec 14 2019 Beginning with Somerset Maugham's innovative, sexually dissident South Seas novel and tales and Alfred Hitchcock's gay-inflected revisiting of the Jack the Ripper sensation in silent film, this book considers the continuing presence of the past in future-oriented work of the 1930s and the Second World War by Sylvia Townsend Warner, Virginia Woolf, George Orwell, and the playwright and novelist, Patrick Hamilton. The final three chapters carry the discussion to the present in analyses of works by lesbian, postcolonial, and gay authors such as Sarah Waters, Amitav Ghosh, and Alan Hollinghurst. Focusing on questions about temporality and changes in gender and sexuality, especially gay and lesbian, straight and queer, following the rejection of the Victorian patriarchal marriage model, this study examines the continuing influence of late Victorian Aestheticist and Decadent culture in Modernist writing and its permutations in England.

The Message To The Planet Jun 19 2020 For years, Alfred Ludens has pursued mathematician and philosopher Marcus Vallar in the belief that he possesses a profound metaphysical formula, a missing link of great significance to mankind. Luden's friends are more sceptical. Jack Sheerwater, painter, thinks Marcus is crazy. Gildas herne, ex-preist, thinks he is evil. Patrick Fenman, poet, is dying because he thinks Marcus has cursed him. Marcus has disappeared and must be found. But is he a genius, a hero struggling at the bounds of human knowledge? Is he seeking God, or is he just another victim of the Holocaust, which casts its shadow upon him and upon Ludens, both of them Jewish? Can human thinking discover the foundations of human consciousness? Iris Murdoch's endlessly inventive imagination has touched a fundamental question of our time.

French Liaisons ~ The fourth story from "Secrets and Seduction", a Victorian Romance and Erotic short story collection. Vol. III. Nov 17 2022 Summary: Young Miss Rosalie Dawson is troubled about her future happiness; she is to marry Lord Peter Whittingham, an extremely handsome gentleman with both connections and money. There is only one problem: Her fiancé has the most tarnished reputation and it is said that he frequently visits both brothels and molly houses. In fact, he is a perfect rakehell, to be honest. However, Rosalie's closest friend, Alexandra, has a suggestion of a rather dubious nature that may solve everything. But, her proposal involves her husband too, the marquis Louis Clermont-Tonnerre. Keywords: Inappropriate suggestions, seduction, debauchery, Ménage à trois (M/F/F), France. An extract from the story: However, somewhere in the back of his still-rather-drowsy mind, Louis noted absentmindedly that there was something that was not quite right. At first he could not exactly identify what it was that was wrong, distracted by the combination of increasing carnal lust and the fact that his attentiveness was somewhat diminished since he had just woken up. Therefore, it was not until he felt a second female body embracing him from behind and a soft thigh entangle itself in between his own legs that Louis understood that something was very clearly amiss. "Qu'est-ce qui se passe?" he asked out loud in French, too confused to remember to speak English. 'What is happening?'
